

STARLIGHT SHINE HAIR BOOSTER

Cod. 2102

Features

Liquid magic that wraps the hair fiber enhancing its nuances. In a single gesture, it offers brightness and softness to the hair. The formulation, in different shades, exalts the color and nuances thanks to the massive presence of shiny micro pearls. Available colors: Red Passion, Blue Fashion, Gold Sparkling, Silver Diamond and Wild Chestnut.

Actives

- **Hydrolyzed soy protein:** antioxidant properties, able to protect from the action of external agents. Hydrating and protective effect, they provide leather with softness and smoothness
- **Hydrolyzed keratin:** a protein rich in nutrients that gives shine and softness. Hair will be better protected and vital.

Action

The innovative texture enhances the color by turning on all the nuances of the reflections. In the form of a silky fluid, the booster nourishes the hair without weighing it down making it extremely luminous and soft to the touch. It gives a slight styling effect.

Use

Apply a dose of booster to taste before or after hair drying. Ideal for dull and dry hair, it can be used after every wash or to revive the shades between one shampoo and the other. Non-dyeing product.
