

BODY SILKY OIL

Cod.2139

Features

Like a silk veil, this ultra-sensory texture envelops the skin and makes it soft and velvety. Its formula transforms the application into a real wellness break. Fondant and delicate, this oil-cream absorbs instantly leaving a soft and fragrant touch on the skin.

Actives

- **Shea Butter:** ensures an intense nourishing action bringing the skin all the elements to make it soft and velvety.
- **Vegetal Oils Complex:** nourishing and emollient properties.

Action

A silky embrace that deeply nourishes the skin enriching it with a delicate scent. Its solid texture turns into soft oil that, in contact with the skin, melts to leave a “powder” effect. It is quickly absorbed without leaving traces on the skin, making it soft and incredibly satin.

Use

Apply after bath or shower, massaging with large gestures until completely absorbed.
