

BODY MILK

Cod.2306

Features

Its fluid and light formula moisturizes the skin and allows a quick and pleasant application.

Actives

- **White peony:** acts on the skin colour uniformity by correcting excessive redness and attenuating ageing spots.

Action

Beauty Elixir after bath, its texture moisturizes the skin and counteracts the calcareous water effects. It helps to restore the epidermis hydrolipidic film, making the skin satin and velvety. Day after day, the skin regains its natural softness and elasticity. It gives a whitening effect to the skin.

Use

Apply after bath or shower, massaging with large gestures until completely absorbed.
