

MASK moisturizing PETALS DROPS

Cod. 2478

Features

An innovative formula, in soft gel, which contains precious petals and Orchid extract. Its texture blends with the skin, reinforcing and toning it to rediscover all its natural brightness.

Delicate but effective, this mask is suitable for all skin types.

Actives

- **Hyaluronic acid:** indispensable molecule to prevent the aging's signs, fight tiredness and dehydration. Strengthens the skin's outer layer and acts as a barrier against external agents.
- **Orchid Dendrobium Noble:** has emollient, protective and toning properties. It protects the skin from the aging's imperfections but also from external agents, moisturizing it in depth.

Action

A transparent and soft texture that, thanks to its innovative formula, gives freshness and immediate hydration.

The release of the active ingredients, allows a correct level of hydration and gives a fresh and radiant appearance, attenuating the signs of tiredness and stress.

Use

Apply a thick layer of product evenly over the entire face (avoiding the eyes contours and lips) and leave on for 5/10 minutes. Rinse with warm water.

It is advisable to complement a scrubber at least once a week, to allow the active ingredients for act deeper.
