

JELLY AFTER-SUN

Cod.2540

Features

A fresh after sun jelly that immediately gives relief to the skin. It hydrates, refreshes and quenches immediately, restoring the normal skin balance. Product indicated for whole family.

Actives

- **Tazman pepper:** immediate soothing action on itching. It reduces the skin redness and the sensation of burning.
- **Aloe vera:** soothing, anti-red and calming action.
- **Allantoin:** moisturizing, soothing and effective protection of the skin.
- **Coconut water:** moisturizing, antioxidant, anti-inflammatory and antibacterial properties.

Action

A gelatin that acts as a soothing after-sun moisturizer. Its gel texture is rapidly absorbed without sticking. An innovative formula that preserves the tan and wraps the skin with a refreshing scent. It leaves an exalted, perfumed and hydrated skin.

Use

Apply gently after bath or shower on dry skin until completely absorbed.
