

ANTY HUMIDITY high definer

Cod. 2635

Features

An anti-humidity texture suitable for curly hair. Its formula has been studied to protect the hair from heat and humidity. An indispensable support to create a state-of-the-art hair set.

Actives

- **Blend of precious oils:** from the emollient, nourishing, moisturizing and antioxidant properties. These oils are able to protect the hair against atmospheric agents and opposing the action of free radicals. They repair the damage caused to the hair fiber, and help to regain a healthy and vigorous appearance.

Action

A no -rinse treatment suitable for instantaneous repair.

An anti-humidity gel that creates a barrier and protects against frizz even during the most humid days. For perfect and defined curls.

Use

Apply the product evenly on damp hair and proceed with normal styling without rinsing. Don't exceed with the product, a small amount is enough to distribute evenly.
