

INSTANT MAGIC RETOUCH

Cod.2702

Features

It is the SOS beauty remedy, which solves the problem of «tired skin» before an important meeting. Soft and velvety serum suitable for all skin types, after a few moments from the application, it relaxes the facial features, refines the wrinkles, recomposes the skin.

Actives

- **Granactive AGE:** is an anti-aging skin care complex, for a maximum synergistic effect of rebuilding the skin's extra cellular matrix. Visible results can be seen in the reduction of fine lines and wrinkles along with an improvement in skin's elasticity.

Action

Its anti-age action visibly reduces the age signs. The light texture is quickly absorbed avoiding the shiny effect and giving the face a more relaxed look. Thanks to its innovative formula it is quickly absorbed without leaving trace. It blends with the skin for an immediate result becoming a precious beauty ally.

Use

Apply the serum on the face areas where the signs of fatigue are more brought out (around the eyes, lips...), gently dab until completely absorbed. Do not exceed the quantity, the equivalent of rice grain is sufficient.
