

SPLASH MASK

Cod. 3006

Features

The Splash Mask is an instant action mask created to give hydration, shine and smooth skin texture. Its fluid texture guarantees an immediate face brightness.

Actives

- **Hyaluronic Acid:** a powerful moisturizer that stimulates the collagen production, slowing down the skin aging process
- **Fruit acids:** antioxidant and exfoliating properties, in order to promote cell renewal.
- **Green Coffee extract:** purifying, detoxifying and antioxidant action, which counteracts the free radicals action, slowing down skin aging.

Action

A formula rich in active ingredients that neutralizes the grayness of the unlit skin. It acts as a protective film during the day, counteracting the free radicals action, strengthens the skin barrier and gives the skin a healthy and radiant appearance.

Ideal for those who want an immediate result without giving up the mask's gesture.

Use

Apply the Splash Mask to the completely dry and clean face. Massage and spread uniformly, avoiding the eye contour. Leave to act for 2 minutes and then rinse with lukewarm water.

Its particular liquid texture that does not stick and its immediate action, make it also suitable for male target.
