

SEBUM BALANCING MICELLAR SHAMPOO

Cod. 2852

Features

A shampoo with an innovative transparent texture, which ensures an antioxidant, moisturizing and protective action on the hair. The formula has been designed to counteract excessive sebum production and make the hair clean and light.

Actives

- **Vitamin E:** nourishes and promotes the renewal of capillar cells.
- **Panthenol:** moisturizes and protect the hair maintaining its natural brightness
- **Oligoelement:** they have an antioxidant action that helps to counteract free radicals
- **Puricare:** protects hair from environmental stresses and the harmful action of UV rays, hinders the polluting particles deposit
- **Xylishine:** thanks to its moisturizing action it repairs the hair fiber and gives shine
- **Sebaryl:** its astringent action regulates sebaceous secretion. Gives strength and balance to the hair.

Action

Thanks to its rich active ingredients mix, it ensures a perfect and deep cleansing of skin and greasy hair from both sebum and pollutants. Its soft foam soothes the scalp, respects its Ph and makes the hair light and full of vitality. Clean and protected, the hair regains all its natural splendor.

Use

Apply a dose of product on wet hair and gently emulsify with circular massages. Rinse thoroughly with warm water and repeat the operation if necessary.
