

## PURIFYING SHAMPOO with coal microspheres

---

Cod. 3099

### Features

A transparent texture that encloses black Carbon microspheres, to ensure a deep purifying and detoxifying action of the hair.  
It give healthy, vital and full of shine.

### Actives

- **Black Charcoal:** known for its purifying properties, it captures and eliminates toxins by cleansing the skin in depth
- **Puricare:** thanks to its purifying and anti-pollution action, it makes the hair stronger and visibly healthier.

### Action

The purifying shampoo, thanks to its active ingredients mix, brings all the benefits to strengthen the most damage hair. Enriched with black Carbon microspheres, it acts against urban pollution, removing smog residues, impurities and rebalancing the scalp.  
Its transparent texture encloses Black Carbon spheres, which, once dispensed, break and give off all their properties, to give a strong, healthy and full of shine.

### Use

Dispense the product amount on the hand palm and apply to damp hair. Massage and then rinse with warm water. The result will be visible from the first application.
