

PINK VAPO MILK

Cod. 3168

Features

A precious ally for the skin beauty. Its light and easily absorbable texture guarantees an intense and pleasant degree of nourishment. Wraps the skin with delicate scent. The ideal product to always have a soft and silky skin.

Actives

- **Sweet Almond oil:** known for its powerful moisturizing, antioxidant and regenerating properties.
- **Cupuacu butter:** has nourishing, moisturizing and anti-aging properties.
- **Bisabololo:** has moisturizing and repairing action on the epidermis.

Action

A light fluid, with a soft pink texture, which helps to restore the epidermis' hydro-lipid film, making the skin satiny and velvety. Its texture vaporizes on the epidermis, guaranteeing rapid absorption. It leaves no trace but gives an immediate freshness and softness sensation.

Use

Apply the product on perfectly dry skin. It absorbs quickly and leaves no trace. For immediate comfort from the first application.
