

STICK MASK

Cod. 3002/3014/3015

Features

The Clay stick mask a natural essential minerals source and trace elements, in a solid and ultra-practical texture. Its texture blends in contact with the skin, giving it all the benefits, it needs. For a clean, beautiful and regenerated complexion.

Actives

Declined in different variants:

- **Cod. 3002 Green clay mask:** it has a purifying, detoxifying and antioxidant action, which counteracts the free radicals by slowing down skin aging.
- **Cod. 3014 Pink clay mask:** has soothing and anti-redness properties. It is suitable for sensitive skin.
- **Cod. 3015 Gold clay mask:** cleanses and purifies oily skin, regulating sebum production.

Action

Its active plus and the Clay presence in this formula, guarantee the toxins elimination by reinforcing the natural detox skin process. It deeply purifies and oxygenates the epidermis, hydrating and regenerating it. Each Clay is associated with a targeted action, to respond specifically to skin needs.

Use

Apply the stick evenly on dry skin with wide circular movements, avoiding the eye area. Leave on 3-5 minutes, then rinse with warm water.

Application is recommended at least once a week.
