

ALL OVER MOISTURIZER

Cod. 1520

Features

An extrasensory and multipurpose texture, suitable for face, body and hair use. Ideally designed for after sport, it is a product suitable for the whole family.

Actives

- **Hyaluronic Acid:** it is one of the main components of the connective tissues and gives the skin structure resistance and maintenance. It also guarantees skin hydration
- **Vitamin E:** a powerful antioxidant that counteracts the free radical's action
- **Solar filters UVA – UVB:** protect skin and hair from harmful sun effects
- **95% Natural origin ingredients**

Action

Moisturizes and softens skin and hair, making the epidermis incredibly velvety and satin-finished.

It can be used as a moisturizing treatment after shower to counteract the limestone water effect. Used on the hair ends, it nourishes and restructures it, sublimating your hair beauty.

Use

Face: put a few doses on the hands palm and then apply on the face starting from the centre outwards. Avoid the eye area

Body: apply generously insisting on slightly drier areas such as elbows and knees. Massage with large gestures until completely absorbed

Hair: apply a few doses in the hands palm and spread on the hair. Comb through to distribute the product evenly. Don't rinse.
