

## TONING BUTTER

---

Cod. Bc cr cor 2

### Features

A creamy and enveloping texture created to counteract body's imperfections. Its texture guarantees rapid absorption and targeted action.

### Actives

- **Maracuja extract:** performs a regenerating, elasticizing and toning action
- **Sweet Almond oil:** performs nourishing and antioxidant action
- **Rice bran oil:** a powerful antioxidant that helps to counteract free radicals' action
- **Vitamin E:** known for its powerful moisturizing and regenerating properties
- **Sunflower oil:** a powerful antioxidant capable of protecting the skin and counteracting free radicals' action, the main causes of cellular aging
- **Green tea extract:** has reducing and toning properties
- **86% Natural origin ingredients**

### Action

Its rich and full-bodied texture was designed to help massage and facilitate absorption. Thanks to its active ingredients, acts in a targeted and effective way on skin imperfections, refining the grain and making it toned and firm.

Day after day, the skin will appear softer, more compact and with a smooth and velvety appearance.

### Use

Apply the product on the areas to be treated by massaging with large circular gestures, from bottom upwards, until completely absorbed. Constant use twice a day (morning and evening) is recommended.

To facilitate the active ingredients effectiveness, it is advisable to make a scrub 1-2 times a week, so as to free the skin from dead cells deposited on the skin and pores free.
