

MOISTURIZING MIST

Cod. 2433

Features

A refreshing and moisturizing water, to always keep on hand to quench the skin on any occasion.

After wearing the mask, even for a few hours, there is a need to rehydrate the skin instantly. Also available in glow version, with micro pearls for instant brightness.

Actives

- **Allantoin:** has a soothing, repairing (stimulates cell renewal) and moisturizing action as it improves the skin's ability to retain water. It also leaves the skin soft and elastic
- **Bisabolol:** it's a natural alcohol that is obtained by extraction from Chamomile essential oil and boasts remarkable soothing and antibacterial properties known for centuries
- **Aloe:** has anti-inflammatory, nourishing and revitalizing properties. It stimulates cell regeneration and performs a moisturizing, purifying and anti-aging action, which helps to keep the skin toned and elastic
- **97% Natural origin ingredients**

Action

It gives immediate comfort by restoring the hydrolipidic film and protecting the skin micro-relief. Thanks to its active ingredients, just a few vaporizations are enough and the face regains all its natural brightness. It absorbs quickly and leaves no trace.

Use

Spray the product on a dry face. Keep your eyes closed during application. Dry immediately and can be used whenever needed.
