The SOS remedy for your skin!
The immediate and long-lasting hydration mask for the face.

93% NATURAL ORIGIN INGREDIENTS

PERFECT HYDRATION

SOS MOISTURIZING MASK

Cod. 3128

Features

A rich and enveloping texture gel to give instant brightness to the epidermis and make it soft and compact at the same time.

It only takes a few minutes to recharge the skin and restore brightness and softness.

Actives

- **Megamoist:** it is a powerful moisturizing active that ensures a booster effect on the NMF skin, preventing the evaporation of water from the surface of the skin.
- **Shea Butter:** nourishes and protects the epidermis by stimulating collagen production, and slowing down the skin aging process
- **Argan oil:** selected for its nourishing and elasticizing properties
- **93% Natural origin ingredients**

Action

A formula that hydrates and uniform the skin, improving its tone and elasticity. From the first application it makes the epidermis particularly luminous and homogeneous. Its active ingredients protect the skin from external aggressions, making them regain tone, force and a healthy appearance.

Use

Apply a thick mask layer all over the face, avoiding the eye area. Leave on for 5-10 minutes, then remove the excess with a tissue and rinse with warm water.

We recommended its use one/twice a week. You can also apply the product with the help of brush with synthetic bristles.
