Benefits

It carries out a protective action for healthy and purified hair.
It envelops the fiber, repairs the stem, revitalizes the lengths.
It respects the scalp, hydrates and softens the hair, creating a barrier effect against smog and polluting particles.
The result is healthy, protected and vigorous hair.

Key words

- Detox
- Purifying
- Clean scalp
- Lightweight hair

Active ingredients

SCALPOSINE: it is an amino acid derivative which is able to restore the skin microbial ecosystem. It acts as a "magic rubber" that reveals a clean and healthy scalp, giving an immediate soothing effect, balancing the access of sebum, purifying the scalp.

ALOE VERA: oxygenates the scalp activating microcirculation. It also purifies and balances the scalp, maintaining the proper pH range. It cleans the fibers from smog particles that can damage them, enhancing hair look. Hair are soft and lightweight, free from toxins and impurities.

How to use

Spray on wet hair, with large strokes to cover the entire hair length. Help the absorption of the product by massaging lightly with your fingers and proceed with styling. Do not rinse. It can also be used on dry hair before an outdoor activity.

Packaging suggestions

Recycled plastic spray bottle, preferably colored as it protects the formulas from light.
