Silicones - parabens - petrolatum - mineral oils - formaldehyde - alcohol - theatrinolamine - PEG

Active ingredients

HYALURONIC ACID: powerful moisturizer, it contributes to maintaining the elasticity of the supporting fibers by stimulating the production of collagen

ECHINAGE CROP G: concentrated phytocomplex of meristematic cells, extracted from Echinacea Purpurea, rich in polyphenols and polysaccharides that improve the structure of the supporting fibers of the skin. It also has a smoothing action on wrinkles.

VIN-UP-LFT: unique firming ingredient based on iced wine combined with Gomma di Tara. It performs a powerful smoothing action on wrinkles, increases hydration and instantly reveals a young and fresh appearance.

SWEET ALMOND OIL: selected for its emollient, softening, nourishing and soothing properties. It integrates very well with the hydrolipidic film, preventing the evaporation of water from the surface of the skin.

Benefits

Soft and enveloping texture like a caress, provides an intense nourishing and moisturizing action, for ultra-soft skin.

Ensures a global anti-aging result: reduces oxidative stress, counteracts the formation and reduces wrinkles appearance. It improves the synthesis of the main supporting fibers for a toning and firming effect.

The skin regains all its softness and elasticity.

Key words

- Global anti aging
- Hydrating
- Wrinkles smoothing
- Nurtruring

How to use

Apply small amounts of cream to clean, dry face, starting from the center of the face outwards. Massage with gentle strokes until completely absorbed.

Spread the product also on the neck and décolleté.
