Active ingredients

Jojoba oil: thanks to its particular composition, it penetrates deeply into the epidermis, giving elasticity and softness to the skin.

Shea Butter: known for its moisturizing, nourishing, emollient, regenerating and antioxidant properties, also appreciated for its anti-aging action.

Sweet Almond Oil: has emollient, softening, nourishing and soothing properties, melts very well with the hydrolipidic film, reducing the evaporation of water from the skin surface.

Coconut Oil: rich in fatty acids and Vitamins (A and E) which perform a nourishing, anti-oxidant and anti-free radical action, protecting the skin from tissue degradation.

Benefits

A very practical stick formula, essential for facial care but also suitable for the most sensitive or dry areas of the body.

Its mix of precious oils guarantees a multi-action for a healthy and protected skin: it hydrates and softens the skin, nourishing it and making it elastic. It protects it and strengthens the skin barrier by providing essential vitamins and minerals to counteract the aggression of free radicals.

To keep always at hand, on every occasion, it is suitable for both young and adult skin types.
