

Emotion Perfume Stick

COD. 3745 - W

Features

The new Perfume Stick formulation combines a pleasant fragrance with the solid cosmetic form for a more practical use.

The functional application allows you to always carry your favorite fragrance with you and thus be able to renew it throughout the day.

Benefits

It gently perfumes without interfering with the natural balance of the skin. Once applied, it absorbs quickly without leaving any trace, not even on clothes.

Formulation

Anhydrous formula based on:

Coconut and Almond Oil: moisturizing and nourishing properties

Carnauba, Candelilla and Rice waxes: emollients properties

The percentage of fragrance may vary from 10 to 15%.
Its naturalness can vary from 85 to 90% depending on the chosen fragrance.

How to use

Gently apply the product onto wrists, neck and all areas where the blood vessels beat (back of the knees, inner arms ...) to transfer the essence to the skin.

Repeat the operation several times a day to refresh the fragrance.
