## Active ingredients

**PULLULAN:** Improves tissue tone, reduces the thickness and depth of wrinkles, stimulating cell turnover

**preBIULIN® FOS:** Prebiotic that makes skin microbiota and skin more resistant generating a barrier that preserve skin health and beauty longer

**HYALURONIC ACID:** powerful moisturizer, it contributes to maintaining the elasticity of the supporting fibers by stimulating the production of collagen

**BEL EVEN®:** A strong active ingredient that reduces skin aging caused by stress and protects skin Collagene resulting in improved firmness and elasticity

**NewEX Hydra LAVANDER:** Lavander's idrolates with strong soothing effect, suitable for irritated and inflamed skin. It has also a toning and decongesting effect

**NewEX Hydra YLANG YLANG:** Ylang Ylang's idrolates extract with moisturising and soothing effect that leave the skin radiant and toned

## Benefits

An innovative formula, a serum that need to be massaged onto the skin to leave it soft, nourished and toned, ready for the next steps of skincare.

The texture is extremely sensorial, it combines the benefits of the active ingredients with the psycho-physical well-being given by the massage dedicated to your skin. It protects and hydrates the skin leaving it smooth and toned.
