Active ingredients

AMLA OMEGA 3: An active ingredient that works by regenerating and revitalizing the skin, with healing and antioxidant properties

SWEET ALMOND OIL: selected for its emollient, softening, nourishing and soothing properties. It is suitable for all skin types for its anti aging activity. It is mainly used for the treatment of dry and reddish skin. It integrates very well with the hydrolipidic film, preventing the evaporation of water from the surface of the skin.

SHEA BUTTER: Powerful moisturizer, stimulates collagen production, slowing down skin aging process

Benefits

Scrub created for a relaxing beauty routine that eliminates stress and allows to focus on mind-body balance.

The presence of sugar deeply exfoliates the skin and removes dead cells; the skin appears regenerated, bright and smooth.

The formula is designed to ensure proper hydration and nourishment to the skin leaving it silky.
