Active ingredients

BEL EVEN®: A strong active ingredient that reduces skin aging caused by stress and protects skin Collagene resulting in improved firmness and elasticity

preBIULIN® FOS: Prebiotic that makes skin microbiota and skin more resistant generating a barrier that preserve skin health and beauty longer

BURRO DI KARITE': Powerful moisturizer, stimulates collagen production, slowing down skin aging process

MARULA OIL: A gentle oil that moisturizes the skin, antioxidant and with strong regenerating power on damaged dermis

Benefits

A treatment designed to take care of your hands, scarred by the stress of daily activities.

The rich and enveloping texture nourishes, regenerates and moisturizes the skin, leaving it soft, silky and uniform.

The cream melts on contact with the skin and, after a massage, leaves a non-sticky light film.

How to use

Apply it whenever you feel the need by slowly massaging until fully absorbed. Use this time to take your time and fully enjoy the sensorial qualities of the formula.

In case of severe skin dryness, use it as a night mask, applying a thicker layer and letting it act by covering hands with cotton gloves. When you wake up, your skin will be smooth, nourished and regenerated.
