Active ingredients

CAFFEINE: Recognized as one of the essential ingredients in anti-cellulite products for its remarkable «anti-accumulation» properties, able to stimulate the drainage of excess liquids

SYMFIT® 1617: An innovative «anti-cellulite» ingredient that diminishes the appearance of cellulite resulting in smoother and more toned skin. It helps to restore elasticity, firmness, and softness of the skin

SHEA BUTTER: Powerful moisturizer, stimulates collagen production, slowing down skin aging process

VITAMIN E: It has antioxidant properties, it is able to counteract the action of free radicals, thus preventing skin aging

Benefits

Smooth and compact texture that envelops and nourish the skin making it smooth and velvety. Thanks to its active pool, it acts deeply improving the skin tissues. It counteracts adipose accumulation reducing cellulite. It stimulates drainage of excess of liquids increasing the skin microcirculation. Its consistency require a massage to be applied: the result is an increased effectiveness and a more pleasant skin feeling.
