- Anti-cellulite
- Toning
- Night activity
- Hydrating

Active ingredients

CAFFEINE: Recognized as one of the essential ingredients in anti-cellulite products for its remarkable «anti-accumulation» properties, able to stimulate the drainage of excess liquids

NOCTURSHAPE™ blue ingredient: targets nocturnin in adipocytes, a protein involved in adipogenesis and lipid accumulation. It provides a general improvement of cellulite appearance

SHEA BUTTER: Powerful moisturizer, stimulates collagen production, slowing down skin aging process

ARGAN OIL: It provides hydration to the skin, promotes the cellular turnover and reduces the free radical activity. In addition it hydrates, nourishes and make skin smoother

MEGA MOIST: A strong active hydrating ingredient that boost the cutaneous NMF avoinding the skin water loss

How to use

Apply it on the affected areas (belly, hips, buttocks, inner thighs and arms) before going to bed. Massage with large, bottom-up circular movements until completely absorbtion.
