## Active ingredients

**AMLA OMEGA 3:** An active ingredient that works by regenerating and revitalizing the skin, with healing and antioxidant properties

**LIQUID SHEA BUTTER:** Powerful moisturizer, stimulates collagen production, slowing down skin aging process

**SWEET ALMOND OIL:** selected for its emollient, softening, nourishing and soothing properties. It is suitable for all skin types for its anti aging activity. It is mainly used for the treatment of dry and reddish skin

**OLIO DI MACADAMIA:** Oil with excellent emollient and antioxidant properties and an anti-age action thanks to its composition

**OLIO DI MARACUJA:** It contributes to repair and regenerate the skin, as well as counteracting the skin dehydration and having a soothing and antioxidant activity

## Benefits

A dry oil that spreads easily on the skin and dries quickly. Its oil texture easily combines with the skin reducing the TEWL process (Trans Epidermal Water Loss) giving long-lasting deep hydration and a toned, healthy, glowing appearance. Skin feels soft and silky.

A perfect product for those who want to dedicate a break to their skincare that helps to relax mind, too.
