

# SIX4ALL - Magic Basic

COD. 3234 B

## Features

90.3% NATURAL INGREDIENTS

NO SILICONES

VEGAN-FRIENDLY

A « **magic** » **formula** able to adapt perfectly to any complexion type that restores radiance of the skin without an heavy skin feeling.

It **prepares the complexion** making it uniform so that it is ready to receive the colour, like a painter's blank canvas. It has a strong **moisturizing** power that **minimizes skin imperfections** and helps minimize signs of aging also reducing their formation.

The active ingredients in the formula make the skin nourished, smooth and uniform. In addition, they help to create and strengthen the skin barrier against smog and external aggressions resulting in a **prolonged anti-pollution action**.

The **ideal use combines Magic Basic**, a moisturizing, smoothing and anti-pollution base, **with one or more shades of Foundation** to obtain coverage, resistance and brightness on the skin.

## Benefits

The innovative day treatment which, thanks to the presence of Sweet Almond Oil, nourishes, softens and soothes the skin giving it an uniform, elastic and soft appearance.

Thanks to the presence of sun filters and blue light filters, it reduces the skin aging process; the face appears toned and compact.

The pearls inside capture the light and reflect it so that the skin appears naturally radiant, healthy and full of vitality.

# SIX4ALL - Magic Basic

COD. 3234 B

## Active ingredients

**PENTAVITIN®:** a 100% natural active (derived from corn) capable of absorbing, like a magnet, the water on the skin surface and keeping it for a long time to avoid skin dehydration. It stimulates the Keratinocytes production and acts as a shield for external agents that attack the epidermis

**BIOECOLIA:** it nourishes the microbiota, facilitates microbial passage and strengthens the skin's natural defenses to preserve its ecosystem

**OXYGENSKIN:** it fights the damages caused by exposure to blue light. It strengthens the skin barrier by increasing hydration, smoothes fine lines and improves skin uniformity

**SWEET ALMOND OIL:** chosen for its emollient, softening, nourishing and soothing properties

**REFLECTIVE PEARLS:** light-reflecting pearls that give the complexion a natural radiance and vitality that seems to be generated directly from the skin

**SOLAR FILTERS:** for a delicate protection against the sun light

## How to use

Apply small Magic Basic touches on the forehead, cheeks and chin then apply the product starting from the centre of the face outwards until completely absorbed. Wait a minute then move on to the Foundation.

Magic Basic can also be used alone as a day facial treatment in case of normal or dry skin
